

GUARANTEED BACKUP

SWISS DATA BACKUP

 **SWISS MADE**
MANAGED SECURITY

Why customers prefer **MOUNT10**

1. External location inside SWISS FORT KNOX

Data is stored outside the own premises – more secure than in any safe

2. Easily find and retrieve data

Daily backups from 2 month and 12 month end backups included

3. Personal support, free of charge

Fast and direct assistance during installation and migrations

4. Fully automated and encrypted

No forgetting, no effort, no bad feelings

5. Daily control by MOUNT10 on three layers

Verification without compromise (info via e-mail / personal intervention)

For Windows, Mac and Linux, including a variety of databases. Detailed technical specifications are available online.
